Help Local Students Gear Up for a Great School Year

Our School Supply Drive is back this year and more important than ever. Families are spending close to \$1,000 on school supplies, which can be a serious strain on anyone's budget. Without those essentials, students face an uphill battle when it comes to learning.

Please help us make a difference by dropping off new school supplies at any AlliedFCU branch from June 2 through July 31.

Every donation counts—and we appreciate your support!

We were proud to support **Meals on Wheels of Tarrant County** with our \$600 Casual for a Cause donation in May. This wonderful organization provides about 1.3 million home-delivered meals each year to homebound, elderly and disabled residents of Tarrant County.

Meals on Wheels makes it possible for many elderly residents to remain in their homes instead of moving to nursing homes or other care facilities. This is such an important service in Tarrant County that our employees have volunteered to deliver meals one day a week. We can't wait to get started!
